Chamber studies bridge official opening plans

Plans for the official opening of the new Elk Point Bridge are well underway. Opening Committee spokesperson Linda Simpson told last Wednesday's meeting of the Elk Point Chamber of Commerce.

Ms. Simpson gave the report on behalf of Chairman Sid Holthe, who was unable to be present for the meeting. At least thirty people will be required to cook the buffalo burgers, serve pop and ice cream and perform the numerous other duties required for the June 8 gathering, the report stated, and suggested that the Chamber form a sub-committee to find the necessary volunteers.

The proposed budget for the event was read, but not finalized as some of the costs are still tentative. The Historical Society has volunteered to donate the ice cream, which removes a \$400 bite from the cost estimate.

A letter from Premier Getty's office declined an invitation to the event with regrets, due to prior commitments, but sent wishes for a successful day.

The Tourist Booth again was a topic of discussion, with President Murray Harper reporting that an application for two booth workers under the STEP program has been submitted. Relocation of the booth was discuss-

ed, with Wayne Smith suggesting that the Town be approached regarding the possibility of placing the booth on Town-owned land adjacent to the Library, which would offer ample parking for large recreational vehicles visiting the booth.

The Town will also be approached regarding the location of overnight RV parking in town.

The Chamber is still discussing whether to join the Alberta and Canadian Chambers of Commerce. A motion to drop both affiliations for this year "to see if there's a difference" was tabled until the Chamber determines what benefits would be obtained by joining.

Looking ahead to summer, Wayne Smith announced that the CBM Confectionery, Work Warehouse and OK3 Bakery will host the July 1 Pancake Breakfast.

Some concern was expressed regarding the Town of Elk Point's decision to forego a Town Annual Meeting for this year. However, Council representative Alvina Schuhmacher assured the Chamber that the Town's budget, which is usually presented at the Annual Meeting, will be in the paper and that any questions can be directed to the Town Office at any time.

Water upgrading details discussed

Engineer Ron Chrapko and Town Public Works Superintendent Ron Foese joined Council on Monday evening for a comprehensive review of the mechanical and electrical tenders for the upgraded water treatment plant.

Components for a two-filter operation which would make the plant capable of handling the average water needs of nearly 5,000 people were approved, although it was noted that the water intake line is only capable of serving 2,500 people.

Progress payments on the treatment plant's structural contract were discussed and approved. Paving costs allowed under the water supply and sewage treatment grant program for 54 Street and 49 Avenue were debated. Alberta Utilities had indicated that only a 4.9 metre width of paving was eligible, but much wider ditches were necessary because of the sandy soil.

Recommendations of the Public Works Committee were brought before Council for approval. The hiring of Brian Votour and Joanne Babcock, previously employed by the Department under a grant program, for temporary full time work for a six month period was ratified, as were recommendations to enrol three Public Works employees in a boiler operators' course, and that the Town dispose of scrap metal and obsolete equipment as scrap.

Mayor Ed Buck and/or Administrator Pat Vincent will represent the Town at a hearing for an interim rate application by Elk Point Gas Ltd. The Town will also request that the general rate hearing will be held in Elk Point.

The 1986 departmental budget for the Family and Community Support Services was approved by Council, with Deputy Mayor Lesyk temporarily in the chair while the Mayor took a short

(Cont. on Page 2)

Happy Easter

Elk Point not out in the cold yet

By Clare Gauvreau
St. Paul Journal

Elk Point may be down but it certainly isn't out in the cold, at least that's the impression the St. Paul Journal received after speaking to town leaders and business people this week. Despite the downturn in the Elk Point oil economy, for many it appears to be business as usual as they remain optimistic a change for the better will occur.

Murray Harper, Elk Point Chamber of Commerce president, said Elk Point will remain a viable community with or without the oil

patch.

"Let's face it, the oil will only be here for 20 years if that anyway. Elk Point was a retirement town before the oil and it will remain one after the oil is long gone. It won't become a ghost town," Harper said.

However, he did say that businesses that have focused their attentions on the oil sector instead of agriculture are beginning to feel the pinch.

"Motels, restaurants, any of the new businesses geared towards the oil industry will be suffering," he said. "Businesses are going to have to

start gearing back to 20 years ago, to the agriculture industry (if oil activity doesn't pick up)"

Town administrator Pat Vincent expects the oil prices to go back up and things to get back on track again in Elk Point. But, even if that doesn't happen he doesn't see the town dying a quiet death because of it.

"We are all selfishly hoping the (world oil) prices go back up to perpetuate the standard of living we've come to expect and enjoy," Vincent said. "It's really difficult to get a hold of the feeling (of the people). A lot of people in the community don't have all the information and the general attitude is one of concern. We have no control of the factors and perhaps, a fear of the unknown."

However, he pointed out Elk Point witnessed what happened to the

neighboring communities of Bonnyville, Grand Centre and Cold Lake in the early 1980s when their oil boom slowed and as a result Elk Point proceeded cautiously during its boom.

"Everything has gone on in a very conservative and well thought out manner," he said. "People proceeded very cautiously."

"Elk Point is a viable community and the oil activity has served to increase that viability."

Jean Slywka, Empress Family Restaurant owner, was quick to point out that in no way has Elk Point become a ghost town. While she did agree business is a bit slower Slywka said this time of year is slow anyway.

"It's a wee bit quieter. People are sort of on hold but it's spring break up and the road bans are on," she said. "It's business as usual for this time of

year."

While Lloyd Metz of Dave's Pizza said "there's been a great slowdown" business-wise, he was also quick to describe Elk Point's supposed downfall as "garbage".

"Elk Point was here before the boom and it will be here after it," Metz said.

It appears motels are amongst the businesses hardest hit by the oil recession in Elk Point. 'No vacancy' signs haven't been up for a number of weeks.

"It's hurting us tremendously," John Yakemchuk, owner of the Fort George Motel said. "There is absolutely nothing happening."

Yakemchuk estimated his motel has been running at a 75 per cent vacancy rate for the past three weeks. According to him the majority of his business comes directly from people working in the oil industry.

Bob Reed, manager of the Alico Motor Hotel, painted a similar picture.

"There's been quite a drastic cut-back. We're concerned enough to wonder whether we'll be able to keep going until the recovery occurs," Reed said. "The costs keep on going, upkeep is the same no matter what."

Reed said the hotel counts on the oil industry for 75 per cent of its business.

Bill Ballas of Fort George Agencies remains confident things will get back to normal.

"We know it's going to be back, it's just a matter of when."

He said rental accommodation in Elk Point is still "fairly tight" but said some people have moved out of higher priced apartments in search of cheaper living accommodation after losing their jobs.

Ballas said he can't see any new housing starts right now and says there's about 17 new homes on the market at the moment.

Despite some stories of gloom and doom it appears the people of Elk Point aren't quite ready to shut up shop yet.

Perhaps Vicki Brooker, editor of the Lakeland Review, who has been covering the Elk Point news scene for the past six years, summed it up best.

"You still can't find a place to park uptown".

County of St. Paul No. 19

PUBLIC NOTICE

(School Act, Sections 107 and 111)

By-Law No. 1100 Dated March 1, 1986

Attention Electors of

County of St. Paul No. 19

The (Board of Trustees/County Council) of (School Division/ District/County of St. Paul No. 19) intends to construct the following at Ashmont Elementary, Ashmont Secondary, F.G. Miller High School, and Mallia Schools for the purpose of renovations under the 1986 Building Quality Restoration Program. (BQRP). (Describe project including floor area, capacity, type of construction, grade levels and number of rooms).

Total Estimated Cost of Project — \$264,992.00
Less: Other Source of Funds (Specify)

1) \$17,834.00 - Revenue
NET AMOUNT OF BORROWING — \$247,158.00

In order to carry out this project, the board/council intends to apply to the Local Authorities Board for authorization to borrow an estimated amount of \$247,158.00.

The board/council will have to repay the borrowed amount by debenture repayable in TEN consecutive annual instalments with interest at the rate as determined from time to time by the Alberta Municipal Financing Corporation (currently ten and one eighth per cent (10 1/8% per annum).

The board/council anticipates that \$247,158.00 of the estimated borrowed amount of \$247,158.00 will be recoverable from the School Foundation Program Fund, leaving the board/council responsible for approximately NIL.

Excluding Building Quality Restoration Program projects, the actual division of costs between the School Foundation Program Fund and the board/council will be determined within 3 years from the time the Minister approves the tender or other scheme of construction.

If you do not agree that the board/council should borrow this amount, you may petition for a vote in accordance with the provisions of the School Act.

The petition must be signed by at least:

- (a) 2% of the electors in a district or division having 10,000 electors or more, or
 - (b) 5% of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
 - (c) 10% of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
 - (d) 15% of the electors in a district or division having less than 500 electors,
- and be received by the board within 15 days of the last publication of this public notice of the proposed debenture borrowing. The last publication date will be March 26, 1986.

break.

A vacancy has occurred on the Elk Point Municipal Library Board, and the Town will advertise for an interested person to fill the vacancy.

Council moved to offer the Town's assistance to the Chamber of Commerce for the bridge opening ceremonies. The Town had been asked for their reaction to a suggested relocation of the tourist information booth to a spot on Town property adjacent to the Library, but Council felt that a highway location is better.

A bylaw setting out the exact rules prohibiting open burning, and amending Bylaw 322 pertain-

ing to garbage, was given all three readings. A summary of this bylaw appears elsewhere in this issue.

Two bylaws outlining the duties of the Bylaw Enforcement Officer and Building Inspection Officer were sent back to committee for review.

The Town plans to look into the Asian Municipal Twinning Assistance Program of Alberta Municipal Affairs, regarding a twinning relationship with a municipality in the province of Hokkaido, Japan.

The Canada Day Organizational Meeting has been set for April 2, at 7 p.m., with Councillor Kleeberger as the Town's representative.

Phone 724-3810

Out our way

By Mildred Dunham

Ferguson Flats Correspondent

Primrose has been quiet for the last couple of weeks with only the odd fisherman going to the lake.

Ferguson Flats had their whirl drive Saturday. There were six tables. Ellen Seward got first with a score of 128. Shirley Okermann & Cathy Irvine cut for 2nd with Cathy coming out the winner. Glen Okermann took first for men's while Lori Irvine (playing as a boy) took second. Travelling prizes were won by Lori Irvine and Donna Zapasocki.

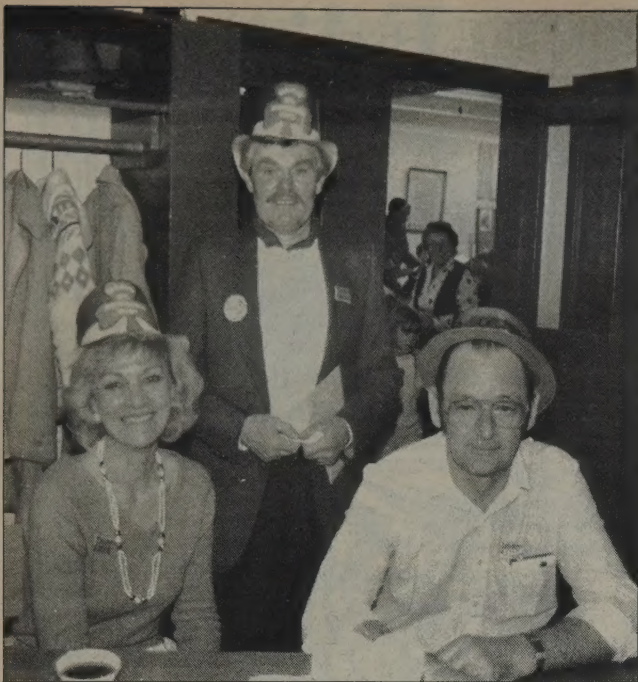

The whist season is now over, and the trophies for the top score will be presented April 5th. There will still be prizes for the whist drive that night but will not count for the final score.

Spring Park way, June Stone (chaperonne) and Lori Cinnamon are taking part in a student tour to Europe. They will be gone for 12 days and will visit places like London, Amsterdam & Paris.

Jackie & Ken Aarbo, Ray & Ruth Stone & family, Jenny & Karren Kinch all went to the Little Royal Fair at the Vermilion College, Saturday. They all reported having a wonderful time.

There will be a wind-up party for curling at the Windsor Club, April 5th. There will be a presentation of trophies to the winners of the round robin and ladies curling.

The Atom hockey team will be playing against their dads at Elk Point at 7:00 p.m., Wednesday 26th. This may turn out to be quite hilarious.

A HUNDRED THOUSAND WELCOMES — In the good Irish tradition came from welcoming committee members Marnie McCowan, Rev Sam Donaldson and Norm McCowan, who were all wearin' the green for St. Patrick's Day.

MANY HANDS IN THE KITCHEN — Produced a fine Irish Stew supper with all the trimmings.

Elk Point Co-op Pee Wees advance to provincial "C" Playoffs

By Rodger McLaughlin

Game I in Josephburg on Saturday, March 22, saw Elk Point play a very tough and rugged game. Josephburg scored the first goal less than one minute into the game. Elk Point tied it up 1½ minutes later. Josephburg went ahead with their second goal halfway through the period, then Elk Point poured it on, getting 3 more in the first period and ending the period with a 4-2 lead.

In the second period, Elk Point scored 3 more unanswered goals. Going into the third period with a 7-2 lead, Elk Point seemed a little tired and got caught dozing while Josephburg slammed in 3 unanswered goals to end the game 7-5 for Elk Point.

Game II in Elk Point on Sunday, March 23 saw Josephburg come out hot as they scored 3 goals in the first 57 seconds of the game. Elk Point set-

tled down and got the 3 goals back, to end the first period 3-3. In the second period the scoring was 2 for Josephburg, 1 for Elk Point; then 2 for Josephburg and 2 for us, giving Josephburg a 1 goal lead, 7-6, after 2 periods. In period 3 each team scored twice with Josephburg coming out ahead 9-8, but in the 2 game total point series, Elk Point wins 15-14.

This had to be the toughest match our team had this year and as a team, every player has to be commended for that super effort. Hockey is a team effort and as a team we did it.

A special thanks to all the fans who came out to cheer us on. We really do appreciate your support and without that extra noise and cheering we may not have succeeded. Thanks again.

Thanks guys, you did it! And I know you want that Provincial Championship — so let's go for it!

Green scene in Elk Point

The Seventeenth of Old Ireland was celebrated with good food and good fellowship, when the Elk Point United Church hosted an Irish Stew Supper on St. Patrick's Day, Monday, March 17.

Hordes of hungry folk followed the mouth watering aroma, into the church hall, where they heaped plates with the hearty stew, mashed potatoes, salads, and homemade buns. An array of desserts was available to provide the finishing touch to a fine meal, for those not already replete.

Diners lined the long trestle tables, decorated with green top hats, and enjoyed a friendly chat along with their dinner, then moved out to make way for incoming customers.

Green attire was the order of the day, with most in attendance sporting at least a touch of green. Reverend Sam Donaldson and Marnie and Norm McCowan were the greenest of all, from top hats on down.

A number of the cooks and servers also sported shiny green hats in honor of the occasion.

Obituaries

SASS, Sam

On March 23, 1986 Mr. Sam Sass of Elk Point passed away aged 82 years. He is survived by his loving wife Lilly; 2 sons and 2 daughters: Ray and his wife Evelyn of Edmonton, Stephen of Edmonton, Lois and her husband Walter Yaremkevich of Elk Point, and Jean and her husband Joe Ference of Elk Point. Also 15 grandchildren, 10 great-grandchildren and 1 sister - Fawrona in the U.S.S.R. He was predeceased by 5 brothers and 3 sisters. Memorial services will be held on Thursday, March 27 at 1:00 p.m. at Yewchin's Funeral Chapel, St. Paul. Rev. Rod Carter officiating. Cremation. No flowers by request. Donations to the Alberta Lung Association would be greatly appreciated.

County of St. Paul No. 19 Agricultural Service Board

Now has nominations open for the

NORTHLANDS FARM FAMILY AWARD

If you know of a farm family in the County of St. Paul, who is active in the community, who runs a well organized farm, and whose family is involved in the farming operation, you may nominate them for the Northlands Farm Family Award. You may pick up nomination forms from the Agricultural Fieldman or District Agriculturist.

The winner will spend the day at Edmonton Northlands on Friday, July 18, 1986 during Klondike Days, as well as receive travel expenses and a gate sign.

Deadline for applications is April 18, 1986. For more information, contact Dennis at 645-3301 or the District Agriculturist at 645-6301.

Hockey Super Stars

All the hockey stars are not in the NHL, as we see by the minor hockey news in this week's issue.

Congratulations to both the Dewberry Colts, who won the Provincial Atom "B" Championship,

and to the Elk Point Co-op Peewees, who won the right to compete in the Provincials in that division.

The Dewberry win shows evidence, not only that they have a young Wayne Gretsky in their

midst, but that the whole team played together, with virtually every member contributing goals, assists and good defensive play, and adding up to the championship.

We know that Elk Point has a fine Peewee team, with good team spirit and a strong will to win, as they go into the Provincial tournament. We know that the players will each do their personal best, and their best as a team, to bring home the championship.

That's the limit

Last week's suggestion by Solicitor General Ian Reid that Alberta's speed limits be abolished is nothing short of hair-raising.

Can you even imagine a world where everyone travelled at their own pace? The speed demons would be whipping along at 130 km per hour, those who like to view the scenery and crops would be poking along at a leisurely 60 km per hour, and the rest of us would be cringing as the speed demons pass us coming and going, and we have to keep gearing down when we come up behind the slowpokes.

Now that you think about it, that isn't too much different from the way things are now, is it?

But to LEGALIZE this absurdity? The mere thought makes a person think of buying a helicopter so one can stay off the roads.

New look, new features

Hey! Look us over! The two-year-old Lakeland Review is sporting a fresh new look for Easter, along with new features for our readers' convenience, of which the first, appearing this week, is the television program schedule for which we have waited for so long. It's here at last, and destined to become a permanent feature of the Review.

A streamlined masthead and boxes telling what is inside the issue highlight our front page. The bunny? He just hopped on the page at the last minute, and insisted we move the bonspiel winners inside, since it was Easter. You know how those bunnies are! Good reading, good TV viewing, and Happy Easter from all of us at the Review!

Easter Blessings To ALL!

1986 ELKS ICE FISHING DERBY WINNERS — L-r: Steve Kinjerski, Sr. Pike second; Willie Lesyk, Sr. Jack first; Alex Yarmuch, Number Draw Winner, Gerard Bugera, Jr. Pike first; Darwin Krankowski, Jr. Perch first and Number Draw Winner; Nick Bugera, Jr. Pike second; Sheldon Kinjerski, Jr. Perch second;

Helen Mudryk, Sr. Perch first; Joanne Mudryk, Sr. Perch second; and Dave Selezinka, Sr. Pickerel, first. These and numerous other fishing enthusiasts enjoyed a warm Sunday at Kehewin Lake this weekend.

Photo by Marge Gascon

Recreation Corner

By Linda Simpson
Recreation Director

With the Easter Holiday fast approaching, it seems that minds are turning to new recreational activities. I, personally, am on the shop for a new wind-surfer. There's nothing like rushing the seasons! On more realistic terms, the Recreation Office is gearing up for the onset of ball season. As well, some steps have been taken to provide summer pro-

grams for youngsters in the region. There programs would include a "travelling" playground program for youngsters aged 5 to 12 years and an outdoor pursuits program for 13 to 19 year olds.

So what are you doing this spring and summer? If you have some program ideas or would like to get involved in one of our programs, please feel free to phone or visit the Recreation Office.

SOFTBALL, FASTBALL, SLOWPITCH, MINOR BALL: There will be a ball meeting on April 15th for all teams wishing to use town diamonds this season. Each team is asked to send one, or at most, two team delegates to the meeting. Ball diamond bookings, fees, officials, and equipment will be the main topics of discussion but any other concerns are more than welcome. Phone the Recreation Office at 724-4074 to register your delegates and find out more about the meeting.

GYMNASTICS: Don't forget that gymnastics will NOT be held over the school Easter break. In other words, there will be no session on April 3rd. The last session will be held on April 10th, following the break.

Letter to the Editor

Send a kid to camp program

Dear Lakeland Printing & Review:

Camp Mannawanis is a scenic camp located on the shore of lower Therien Lake. There's an abundance of wildlife, a sandy beach, swimming - a perfect place for fun and fellowship.

This summer over 500 children will enjoy a week of fulfilled, controlled camping. Many of these children would not have this opportunity if not for the "SEND A KID TO CAMP PROGRAM". Sixty-five dollars will provide a tremendous experience for children, the unique friendships formed at camp are something that children treasure.

This year, join the many businesses

who presently sponsor a child to camp and provide an opportunity for young campers to grow in mental, physical, emotional and non-denominational spirit skills.

Your donation is tax deductible, a receipt will be sent by return mail. All donations will be recognized in the local paper during the week of May 7, 1986. GIVE A LITTLE OF YOURSELF, SEND A KID TO CAMP THIS YEAR.

Suggestions of a child that you think should go to camp are welcomed. Please direct suggestions to Miss Maxine Rumohr at 645-4630.

Ray Chambers
Executive Director
Camp Mannawanis

'STRETCHING YOUR COMMUNITY DOLLAR' SEMINAR: With all the groups in this community who are looking for various ways to raise funds, I am sure that this seminar should be well attended. It all takes place on April 2nd. \$6.00 is all it costs and you can register at the Recreation Office. BUT HURRY!

FUN RUN: Need a goal for your fitness efforts?? Vermilion is holding a Fun Run of 10 km on June 1st. Today's the day to start training. Phone the Recreation Office for registration forms.

CURLING CLUB WIND-UP: Don't forget this Dine and Dance to be held on April 5th. Everyone is welcome and tickets are dirt cheap. So pick up a ticket and kick up your heels. Phone Debby at 724-4322 for more information.

IT'S NOT TOO LATE: You can still submit the Leisure Needs Survey to the Recreation Office if you haven't done so already.

ADULT BADMINTON: This program has run its course and won't be held on Thursday nights any longer. However, the Community Services Centre Gym is available for occasional birdie bashing.

HAVE A HAPPY EASTER HOLIDAY!

Keyano College homecoming

Dear Editor:

Keyano College is holding its 20th Anniversary Open House/Homecoming in Fort McMurray, May 30, 31, 1986.

We would like to extend an invitation to all Keyano College alumni to join the festivities on this special weekend.

Over the past two decades Keyano College has grown from a small Alberta Vocational Centre to an ultra modern post secondary education institution offering a variety of pro-

grams including Heavy Industrial, Trades, Academic and Nursing programs.

On May 30, 31, 1986 the College will be celebrating with Open House and Homecoming festivities. Saturday, guests will enjoy a family picnic, a formal dinner, theatre and dancing.

Please join us to celebrate this very special year by responding to:

Keyano College Homecoming,
c/o Communications Department,
8115 Franklin Avenue,
Fort McMurray, Alberta, T9H 2H7.

Bored of Education

Sponsor of the month

John Drobot, M.L.A.

I am extremely pleased to sponsor the March edition, and would appreciate receiving all your future endeavours of this nature as I find them invaluable in keeping tabs on what's happening at your school. P.S. I also enjoy the lighter side of wit and wisdom in the bulletin.

I am looking forward to meeting Mr. Steve Krankowsky and his Elk Point Class when they tour the Legislature on April 23rd, and will have the honour of introducing them to the Legislative Assembly.

"Bored of Education" is written and organized by the grade nine Language Arts Option class as a class project. We would like to extend our warm thank-you to Mr. John Drobot, M.L.A., this month's sponsor, and as well we would like to thank last month's sponsor, Elk Point Oilfield Services.

Special thanks to Mr. Neumeier and his grade seven class for their letters and seat belt legislation survey which they so efficiently carried out. Well done gang!

In closing — Have you heard the one about the Elk Point farmer who passed away and left 17 horses to his 3 sons. The instructions left in the will said that the oldest son was to get $\frac{1}{2}$, the second eldest $\frac{1}{3}$, and the youngest $\frac{1}{9}$. The three sons, recognizing the difficulty of dividing 17 horses into these fractions, began to argue. The uncle heard about the argument, hitched up his horse and drove out to settle the matter. He added his horse to the 17 making 18. The eldest son therefore got $\frac{1}{2}$ or 9; the second son got $\frac{1}{3}$ or 6; and the youngest got $\frac{1}{9}$ or 2. Adding up 9, 6, and 2 equals 17. The uncle, having settled the argument, hitched up his horse and drove home.

Congratulations and good luck to the Board of Education.

Easter

Our friend, the snow
Who we've known half a year,
Is slowly rippling away.
From this we can tell,
Easter is coming our way.
The grass is awakening,
The flowers are in bloom,
The trees come to life
With the suns loving touch.
This is the beauty of Easter
That only God could,
And has,

Granted us

Science Fair

The F.G. Miller Jr./Sr. High School put on a science fair in our gym on March 12, for Education Month. The entries were from all the competing students at the F.G. Miller Jr./Sr. High School, and were judged in three different categories.

The categories that were judged are as follows: experiments, in which the student presents a problem and tries to solve it, The next category is a demonstration. The student creates an object or objects and shows how they operate. The third category is a display. For this, a student presents some sort of object, possibly a scientific collection of some sort, and displays it to the judges.

The science fair was an open house so that the parents could come in and enjoy the students' displays and such. All the students who competed in the science fair are to be complimented on their excellent work.

Winners were: Alton Stone, with his robot; Christoph Ludlage with his mini-dish 'big ear'; Jody Lecopoy and Sandy Smith with their hydroelectric dam; Dhawna Seniuk and Kim Bugera with their hurricane machine; Katherina Ludlage and Rhonda Behr with their Solar Energy display, and Monte Scott with his homemade projector.

March is Education Month

The month of March is Education Month in Alberta. The Alberta Education System decided to designate one week (March 3-7) from the month for schools to really get their act together and make a go of it. Since this event only happens once a year, the F.G. Miller decided to make themselves true, blue participants and went along with the ceremonies. The F.G. contributed by: setting up displays and making up posters to advertise Education Week, making up dress codes for Thursday and Friday (Thursday - Mismatch Day - dress in the most uncoordinated fashion possible, Friday - Jeans and Hat Day - dress up in blue jeans and wear a hat). On Wednesday, March 12 the F.G. Miller School held their

annual Science Fair, with the winners advancing to the County Science Fair in Ashmont on Wednesday, March 19. These are the events which happened to celebrate Education Week at the F.G. Miller School.

HAPPY EASTER

BON VOYAGE — Miss Foley and these students leave tomorrow for Europe.

Fifteen students off to Europe

On March 27, 1986, Miss Foley and fifteen students from grades ten, eleven, and twelve of the F.G. Miller High School, will be on their way to Europe and will be returning April 17. While in Europe, the group will be visiting London, Paris, and

Amsterdam.

The lucky students who will be going are Zoe Bekker, Tracy Boothman, Cathy Buck, Laurel Cinnamon, Lorne Demchuk, Anna Fedorus, Devin Gancer, Garret Gregorashuk, Glena Grykuliak, Barbara Hawayluk,

Sandi Krucik, Shiela Kuhn, Lane Lorensen, Malcom Palamerek, and Collette Poitras. The group leaders are Madeline Foley and June Stone.

We all hope you have a pleasant trip, au revoir!

Bulletin board

GREEN DAY

On Monday, March 17th, F.G. Miller Jr./Sr. High School, held their first annual Green Day! The lucky winners were Cynthia Adkins and Mrs. Olstad. The runners up were Kevin Young and Stacey Beazley, congratulations! We would also like to thank all those who participated to make our Green Day a smashing success!

BOYS BASKETBALL

County Cup was held on March 11, 1986 at Glen Avon Jr. High School in St. Paul.

Although it had been a sensational basketball year for our team we placed only third. The standings were as follows: Glen Avon first; Racette second; Elk Point third and Ashmont fourth.

We would like to thank all of you for coming out to watch us and cheer us on. We also like to thank our coach Calvin Bepalko and the others who helped us. We hope to see you all next year.

GIRLS BASKETBALL

The Jr. High Girls' Basketball season came to an end on March 13, which was the day of County Cup. Their first game was against the Ashmont Falcons and they unfortunately lost 35 to 30. As a result they were out of County Cup. The girls had a great season and were sorry to see it come to an end so soon.

Introducing . . .

Miss Tammy Jennissen was born on May 6, 1970 in Brooks, Alberta, and moved to Elk Point from there. She moved in the summer of 85 because her dad was transferred with Pan Canadian. She enjoys it here. Tammy says that it's a nice friendly place to live.

In her free time she enjoys playing the guitar. She also likes sports especially badminton, baseball and downhill skiing.

At the age of fifteen, she has already planned to become a doctor when she finishes school. Her favorite subjects are math and science.

Tammy has two brothers and two sisters, all older than her.

Elk Point is thrilled at this new addition to the community.

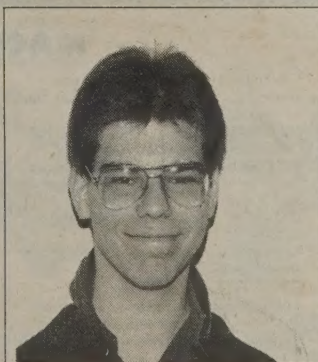

TAMMY JENNISSSEN

Brad Miller, 17 years old, born on September 24, 1968, joined the F.G. Jr./Sr. High School at the beginning of the school year. Brad was brought here because his father was transferred to Elk Point, from Spruce Grove, by Amoco.

Brad has two sisters and no brothers. Brad also has two pets, a cat and a gerbil. Brad enjoys cruising around and watching t.v. in his spare time. Brad's favorite movie is Back to the Future and his favorite song is Bohemian Rhapsody which is sung by Queen. Brad enjoys Elk Point, but since he will be graduating this year he plans to move to Edmonton and attend University to study to be an accountant.

Welcome to the school, Brad!!

BRAD MILLER

Twelve year old Corrina Elliot, a new student at F.G. Miller Jr./Sr. High School has recently moved here from Swan Hills. She is in a family of six with her parents, two sisters and one brother. She enjoys living in Elk Point and going to the school. In school the subject she enjoys most is shop. When she is away from her school activities, she enjoys dancing and listening to Madonna. When asked she said she had no future goals or ambitions as yet.

We're glad you enjoy Elk Point and plan to stay here for awhile.

CORRINA ELLIOT

Minor hockey news

By Shirley Osinchuk

Bantam Hockey

The Bantam team protested the second game of the Provincial series they had played with Lloydminster, and were awarded a re-match. They travelled to Lloydminster on Thursday, Mar. 20, with a bus load of fans, to play in the Russ Robertson Arena. They played a fast, close game, with the final score being 7-6 for Lloydminster. They came home a little disappointed to lose, of course, but satisfied that they had played well their last game of the season.

Midget Hockey

The regular season is over, but Sunday, Mar. 23, the "Midgets" played the "Bantams" in Elk Point. The teams divided their players so they were balanced teams. They even "imported" one goalie who is usually a "hockey dad". The team in the Bantam sweaters won narrowly by 11-10. Congratulations to the Pee Wee team. Good luck in the Provincial Finals.

The Minor Hockey Banquet is planned for Friday, April 18, at 6:30 p.m. in the Elks Hall. There will be a Pot-Luck Supper, followed by Awards Presentation and a Dance.

HIGH KICKS — Flying skirts and fluttering ribbons, as the Elk Point Ukrainian Dancers performed for the long-term patients at Elk Point Hospital last Friday.

FREEDOM

The cause of freedom is identified with the destinies of humanity, and in whatever part of the world it gains ground, by and by it will be a common gain to all who desire it.

Kossuth

N.E. and N.W. Hospital Auxiliary regions confer in Edmonton

By Irene Magnusson

Two Regions of the Alberta Hospital Auxiliary met in conference March 13 and 14, at the Edmonton Inn, in the city. The north-east Region sent 29 representatives, while the north-west Region had 10 present. The Alberta President, Myrtle Backus, was in attendance, and answered many questions, following her reports.

Guest speaker, Lynn Rock of Edmonton, gave an in-depth look at Stress and the effects it can have on any of us, but especially as it affects the ill. Many persons suffer stress, without realizing it, she stated. Ms. Rock described some ways we can pinpoint stress in ourselves, and also some ways of alleviating it.

Rock tied the relief of stress in with the work of the Auxiliary, as one of the many things they can do, in working with patients in hospitals. A goal of the Auxiliary should be to help relieve stress in patients, as well as to raise funds for comforts and equipment. "There are only two important feelings," Rock quoted a Doctor as saying. "One is love. The other is fear. If there is enough love, it can conquer fear." The group were urged to love those they would serve. They were also urged to love themselves, and to know they were worthwhile persons.

Lynn Rock will be offering much of this material in a Tele-Conference planned for later in the spring, in an eight part series, commencing April 7th, 1986.

Provincial Historian for the Auxiliary, Helen McClellon requested all Auxiliaries to send her information on hospitals and auxiliaries; when started, executive members, etc., to be placed in the Alberta Hospital Auxiliary archives. Having 12 years as historian for the Auxiliary at Radway, McClellon is experienced at her task.

Reports were given by the Auxiliaries from Vilna, Islay and Radway, listing projects they have undertaken. A new group in Edmonton also reported on their activities.

There will be a Canadian Auxiliary Convention in Edmonton in June of 1986; since the Alberta arm has affiliated with others in the nation-wide group, they are urged to send full delegations.

Other Regional Conferences will be held in Lac La Biche in May, Elk Point in September and Wainwright in November.

I found the conference a bit confusing, as there was no agenda set out, use of the mike was poor, and the whole thing seemed a bit unstructured, but plenty of time was given to questions and answers, the speaker was very good, and a friendly atmosphere prevailed. I was also fortunate in meeting a lady I had lost touch with for 7 or 8 years, and we had a lovely visit.

Alberta Hospital Boards and others were meeting at the same time, and so the transportation arranged for the Auxiliary delegates was most appreciated.

Big tractors demand a special transmission

Like the one in the new Massey 3500 Series

Introducing a new line of big, reliable tractors from Massey-Ferguson: the Perkins-powered MF 3500 Series. Choose from the charge-cooled and turbo-charged MF 3545 at 125 PTO hp*, the turbocharged MF 3525 at 105 PTO hp* or the rugged MF 3505 at 90 PTO hp*.

And to get the most efficient use out of the MF 3500 tractors, we've equipped them with a new 16-speed transmission.

shift-on-the-go to handle tough spots. Just push a handy button on the dash to shift down...push it again to shift up. Saves time, effort and fuel.

More Massey features

- With new standard electronic hitch, implements react faster to changing soil conditions for more efficient tillage.
- Add optional 4-wheel drive for up to 20% more drawbar pull and extra

traction in muddy fields or feedlots.

- Fully adjustable seat, standard air and heater, extra-quiet interior, tilt and telescopic steering wheel and more give you big operator comfort. Add it up...the new MF 3500 Series tractors have more of the features you need in a big, rugged tractor. See us today for full details on these new profit boosters.

*Manufacturer's rated PTO hp.

Dewberry Colts win atom "B" provincials

Dewberry Colts won the Provincial Atom "B" championship last week, in a mighty five-win sweep of the eight team tournament in Pincher Creek, March 14 to 16.

Dewberry started off with a 9-1 victory over Hanna, with Robby Butz scoring four of the goals, Marty Yarmuch and Shayne Fenton scoring two apiece, and Lorne Bates scoring a single. Assists were by Jody and Marty Butz, Marty Yarmuch, Wade Johnston, Lorne Bates, Mark Kusack, David Lychak and Clayton Kokotailo.

The second win was a 14-0 wipeout of Leduc Atoms Friday evening. Seven goals were contributed by Robby Butz, two each by Marty Yarmuch & Lorne Bates, and singles by Jody Butz, David Lychak and Mark Kusack. Three goals were unassisted, while assists on the others came from Marty Yarmuch, Mark Kusack, Lorne Bates, Jody Butz, David Lychak, Wade Johnston, Marty Butz, Shayne Fenton and Clayton Kokotailo.

The closest game of the tournament came Saturday, with a 5-3 win over Coaldale. Robby Butz scored four of the five, and assisted on the fifth, which was scored by Marty Yarmuch. Other assists were by Jody Butz, David Lychak, and Shayne Fenton.

In Semi-Final action, Dewberry played the hosting Pincher Creek

Atoms to a 14-4 victory at noon Sunday. Super shooter Robby Butz scored nine of the goals, with one each from Mark Kusack, David Lychak, Marty Yarmuch, Lorne Bates and Wade Johnston. Six of the goals were unassisted, with four assists by Yarmuch, two by Lychak and one goal each by Robby Butz, Jody Butz, Fenton and Johnston.

After a three hour rest, Dewberry was back to play Sylvan Lake in the championship game, which they won by an easy 12-3 margin. Robby Butz scored eight goals, making a total of 32 for the tournament, and assisted on three others. David Lychak had two goals and one assist, Marty Yarmuch one goal and two assists, and Lorne Bates, one goal. Shayne Fenton provided two assists, with one each from Jody and Marty Butz. Special recognition must be given to the Colts' goalie, Brent Bowman, who let in only eleven goals and had one total shutout.

A glance at the game sheets showed a very clean tournament, with a total of only 16 penalties for the Colts in all five games, and only a few per game for the opposing teams.

Congratulations to the entire team, and to their father-son coaching team, Roy and Darcey Butz. Scoring star Robby Butz is son of Darcey and grandson of Roy, as is Marty Butz, while Jody Butz is son of Roy and brother of Darcey.

ZONE 2 - DEWBERRY — Back row (L to R): Manager - Roy Butz, Lorne Bates (12), Mark Kusack (5), David Lychak (6), Robby Butz (3), Jody Butz (2), Coach - Dorsey Butz. Front row (L to R): Marty Butz

(4), Shayne Fenton (10), Wade Johnston (15), Marty Yarmuch (9), Clayton Kokotailo (7). Goalie - Brent Bowman (1).

Dewberry News Roundup

By Cliff Cunningham
Dewberry Correspondent

Wally Curtis, an old timer of the Dewberry district passed away on the morning of March 14th in the Vermilion Health Care Complex. The funeral service was held in Lloydminster and he was laid to rest in the Dewberry cemetery March 17th. We are all in sympathy with his family and relatives.

Bobby and Ariel Braithwaite, Neal and Elsie Jones are away to Arizona for a holiday. They went with Jones' mobile home.

John Maltais is home now after spending a few days in the Misericordia Hospital in Edmonton.

The funeral of Tom Jardine was held in Dewberry Hall on Saturday, March 8th with a large turnout and interment in the Dewberry cemetery with lunch served in the Greenlawn Hall. We are all in sympathy with his wife and family. I did not hear about the funeral until it was over as I was down with the flu that day.

There was a good turnout at the

Senior Citizens Centre, March 11th, as the blood pressure nurse and the foot care nurse were there. The next pot luck supper at the centre - March 26th.

Mrs. Henrietta Dennills is home after spending a few days in the Vermilion Health Care Complex with the flu.

The Dewberry Carnival and Ice Show drew a large crowd on Friday, March 14th. Everyone including the children did real well. A lot of work and time is spent putting on an ice show with making all the costumes. The precision skating program by guest skaters from Vermilion was real nice and enjoyed by all. There were five outfits of chuckwagon racing. The best dressed outfit went to Link Oilfield Service and the fastest time was the minor hockey outfit with Cody Trach the driver. First place trophies and prize money were donated by Buddy Bensmiller, Bruce Craigie, Allen Bensmiller, Rick Rainey and the Dewberry Figure Skating Club.

The Catholic Church ladies had a

bake table with lots of goodies for sale. I don't know how the slave auction of the grade 12 graduating class of 1986 turned out. I left before it started. Thanks for coming and hope to see you next year.

The Dewberry Lions first meeting of the month was held in the Hall, March 13th with Pastor Shoop of Greenlawn as guest speaker. He had spent several years at Coppermine. His slides were very interesting and he spoke of his work in "the church field and life with the Eskimos in the north".

The Lions who manage the hall need more money to finish the hall. They will be holding a charity auction shortly. The Lions are now involved in the Child Identification Program with president Henry Kozak in charge. Their regular sale of Easter chocolates have arrived. Also the Lions charter night will be held April 19th with a supper and dance. Tickets are available from all members.

The makers of Avenge and Dupont Weed Spray put on a program in the Dewberry Hall last Friday. Coffee and donuts were served and a film and slide presentation of weed control. Door prizes were drawn. Lucky winners were Philip Porter, Edy Trach, John Anderson and R. Theisen. Here is some news for some of you old timers handed in by John Anderson. Johnny has been good at handing in news this winter. A man by the name of Victor Nelson who was a clerk in McKay's store in Dewberry in the early 1930's passed away March 1st. He was married to a lady by the name of Ethel Cockrane that taught first in the old Dewberry Hall and then in the new school, January 1930. This man's funeral was in Edmonton, March 5th and he was 81 years of age.

The Dewberry Novice Hockey tournament was March 15th and 16th with teams from St. Paul, Lloydminster, Paradise Valley, Marwayne, two teams from Vermilion and two Dewberry teams. St. Paul won the "A" series over Vermilion White and Marwayne won the "B" series over Dewberry. On March 13th, Paradise Valley Jets were defeated by Dewberry Mustangs 10-4. Dewberry lost out in the Provincial playoffs.

Our weather this last week has been from 4 degrees above F. to 44 degrees above F. with some light snow and rain. The fields are mostly bare again.

Happy Birthday to all that have a birthday in March.

Century 21

COMMERCIAL

We have an ideal 1232 sq. ft. building, good retail or office space. 100 ft. of Commercial Property with an older revenue home 1 block off main street.

Invest in a laundromat which is a going concern. It is located on a busy street with ample parking.

Commercial Space for Lease - Corner along Highway 41 and Main Street - 1200 sq. ft., 2000 sq. ft. and 1800 sq. ft.

RESIDENTIAL

This recently renovated home, situated on a 50x135-ft. lot would be ideal for a starter or retirement home or as a revenue property. It comes complete with a new fridge and stove and a deep freezer, all for \$34,500.

This reasonably priced 2 bedroom home which is presently rented is located close to the downtown and hospital and can be yours for only \$37,500.

Both of these properties which are zoned R-2 close to the downtown. 1796 sq. ft. of gracious living in this 4 bedroom, 4 level split with an attached garage and finished rumpus room, and 2 1/2 baths.

We have two new reasonably priced homes worth considering starting at \$80,500.

INDUSTRIAL

50x150-ft. lot zoned industrial with a revenue home.

ACREAGES

Build your dream cottage close to Stoney Lake on this 80 acres. Fishing and hunting right on your doorstep.

10 acres which may be purchased with or without the buildings, with a magnificent view of the surrounding area.

Nature on your doorstep. 13 level acres with a creek bordering it. Perfect for horses and children.

4 1/2 miles out of Elk Point - 80 acres with gas and power to the property. \$35,000.

Older 3 bedroom home on 8.5 acres with a garage and several outbuildings for only \$32,000.

This beautiful 1 1/2 storey 3 bedroom log home located on 80 acres is perfect for raising the family. Heated workshop, log playfort, storage shed and other numerous buildings. A must to see.

20 reasonably priced acres with power and telephone just 8 miles southeast of Elk Point.

6-year-old home on 3 acres near St. Paul. This modern 3 bedroom home comes with dishwasher, garburator and Central Vac and other numerous features.

FARMS

155.4 acres with hog barn. This would be a good starter operation.

Burger Bar officially open

With a snip of the scissors, Mayor Ed Buck officially opened the new Elk Point Burger Bar last Saturday, while a near-capacity crowd of friends and faithful customers looked on.

Holding the royal blue ribbon were Burger Bar owners Roland and Jean Gascon and their children, Roxanne and Rene, who looked well pleased with their spacious new premises.

Mayor Buck offered some fond reminiscences of the old Burger Bar, where, he said, in cold weather, "Rollie poured coffee with his ear flaps down". The "coffee boys" were on hand in full force for the opening, and also sent along one of the many beautiful flower arrangements which covered the counter.

Jean and Rollie then cut the first slice of a huge cake adorned with mock "hamburgers" and "hot dogs", and offered this, along with free coffee and doughnuts, to crowds who continued to flock in all day.

The new premises features a large eating area at the front, with comfortable chairs and roomy tables, and a counter lined with tall stools. At the back is the gleaming stainless steel kitchen, "so big we felt lost in it for the first while," laughed Jean, and a small office from which the business is administered.

The middle portion features drive-up windows on each side, a pass-through window for drive-up customers, the soda fountain, and the handsome etched mirror which features an oil derrick and an elk.

Congratulations on the opening of your fine new premises, Rollie, Jean and family, and best wishes for continued success.

Elk Point Public Library news

By Carol Goruk & Madeline Stepa
Publicity Committee

The regular meeting was held in the Library Program Room, March 11th. The main topic of discussion was to thank the donors who donated so generously toward the furniture and other donations.

Most of the furniture has already arrived and the Board Members would like to welcome everyone to come in and browse around.

The Board has also purchased a plaque, with all the donors names engraved on it, which is placed on the wall of the front entrance to the Library.

More donations would be greatly appreciated!

SHINING STAINLESS STEEL — Sets the scene in the spacious Burger Bar kitchen. Jean Gascon shows FCSS Director Marie Buck the new facilities.

Burger Bar prize winners

A number of handsome door prizes were awarded to visitors at Saturday's Grand Opening of the Elk Point Burger Bar.

Madeleine Quinney was the winner of a coffee maker, donated by McKinley and Taylor, while Tim Martin won a set of steak knives from the same donor. A large fruit basket, courtesy of The Grocery People, went to Tina Rainboth of Heinsburg.

Barry Roth of Vermilion was the lucky recipient of a cooler, donated by B & R Eckels Transport, while "Buzzie" Pelechovsky received a gold chain donated by Starbrite Jewellers.

Cecile Dion took home a patio umbrella, and Richard Woytkiw, a rubber raft, both courtesy of St. Paul Beverages. The steak dinner for six, donated by the Burger Bar, went to eight year old Sabrina Harlton of St. Paul.

IT'S NOT CERTAIN IF THESE TWO GENTLEMEN entered anything in the Houseplant section last fall Fair, but they certainly seem to be admiring the lovely plant displays.

I. Magnusson

Give a student that first big break.

Give them a summer job.

Every summer, students provide a wealth of talent, knowledge and ingenuity that every employer can tap. As an employer, you will benefit from the energy and enthusiasm students bring to their summer jobs. The students in turn will gain the experience so valuable to entering the working world.

Of course students are willing to do just about

any sort of work available, but ideally, they would like to find employment related to their field of study. This would help ease the transition from school to work, and help eliminate the "no experience/no job" bias that they may face when seeking full time employment. Hiring students makes good business sense. For every type of job you can offer, there's a student more than willing to work.

More planning for the Fall Fair

By Irene Magnusson

I've been holding off with this month's reminder of the Fall Fair, waiting for a Prize List booklet. Now I have one, and so may you, if you go to the Lakeland Review office and ask for it. It looks a little different this year, but everything's there. Study it well, especially those articles in the sections you want to enter. I'm told one of the sad mistakes some of us make is not checking carefully, then finding we have not complied precisely with the requirements. (Like me and my 5 lovely peas - there have to be 6).

There are 21 classes in the Senior Citizen section, plenty of scope for those of us 60 and over (and proud of it). Knitting, crocheting, large articles or small, and a cushion of any sort; thread embroidery or liquid embroidery, any article. A quilt may be made by one alone or several persons, just so it's hand-quilted.

Afghans may be entered in either the knitted or the crocheted class; any type of rug - now that gives a lot of scope. Sew up almost any item, large or small, by machine or by hand, there is a class for that. Two classes for aprons, practical or fancy...I guess aprons are still used and made.

Baking, where most of the seniors shine, includes classes for white and brown bread, Ukrainian breads, cake, muffins and - yum-m-m biscuits.

Grace Barwick, at 724-3813, will be happy to give you any further information required. She will be assisted in convening the senior's section this year by Ivy Dunlop.

Another section, which I am sorry to note is mostly entered by the ladies

only, is House Plants. Don't any men grow houseplants around here? It is decidedly a section with prospects. There are 42 classes to pick from, most certainly a place for nearly every kind of houseplant known to us here. Rose Doucet is the person in charge of houseplants, and surely she must be an expert on them. Here are listed varieties some of us have never heard of - yet there are lots of spots for the old faithfuls too. Violets, cactus and begonias, ferns, geraniums and ivy - these we all know well. But perhaps your window holds calladium, orchids or amaryllis, dracene, peperomia or pothos, and if you have 'em, ready them for the fair and show 'em to all of us.

Flowers may be in bloom or not in bloom; some are three to a pot, some can come in three separate pots. The real fun one could be those 'kitchen throw-outs', where you plant whatever - seeds, pits, tops or you-name-it, just to see what will come up. And some are dramatic. One of the prettiest plants I've seen was a little date palm - from a single seed left in a pot of pitted dates. There is only your imagination to let loose - you may grow something great for the fair.

One could get a book and learn what all these plants are and where to find them. Of course the greenhouse is loaded with them. But perhaps your favorite is that slip you got from Aunt Betty back in 1970, and carried across two provinces in the trunk of your car. Only you can choose - but do consider entering. It's fun.

Rose Doucet (724-2204) can help if you need any in this section. The only request is that you remove all dead growth from your plant before displaying it.

Tulliby Lake 4-H notes

By Pamela Chamberlain
Club Reporter

The Tulliby Lake 4-H Multi Club held its monthly meeting on March 5th at the Tulliby Lake School. We planned our public speaking competition and a ski trip to the Kinosoo Ridge. For roll call, each member had to say either their prepared speech or an impromptu for practice.

On March 7th, the club travelled to the Kinosoo Ski Ridge near Cold Lake for a day of skiing. We had a really good time. Thanks go to the parents for providing transportation for us to the Ridge.

On March 12th, 1986, we held our Public Speaking Competition at the Tulliby Lake School. We had sixteen speakers present and everyone did an

excellent job. Many thanks go to our senior judges - Cam Hancock, teacher at the Marwayne school; Debra Grey, a teacher at the Dewberry school; our junior judges - Laverne Wilson, a teacher at the Heinsburg school; Karen Reid, a teacher at the Marwayne school; and to our timekeeper - Janet Jenkins, a teacher at the Tulliby Lake School.

Our 1986 public speaking winners were: Senior - 1st - Lori Ann Nelson with her speech "The First Date"; Senior 2nd - Tracey Gray with her topic "Candy Striping"; Junior 1st - Jerome Chamberlain with his speech entitled "Snakes"; and Junior 2nd - Kari Barstad with her speech "Education". Lori and Jerome spoke at the Vermilion River District Speak Off on March 16th in Vermilion.

Home With A Difference

Designed for strength, cost and energy efficiency. Manufactured in Alberta. Dry wall, ¾ tongue and groove. Fir flooring, R-40 ceiling insulation, oak cabinets. Excellent quality. Priced as low as \$29,008.00 (plus lot and basement) which represents \$37.00 per sq. ft. FOB Edmonton. CMHC and CSA accepted.

HEAVY OIL GRAND CHALLENGE — Byron Mann presents the Westmin Resources trophy to the Homco rink (back, l-r) Reo Van Maarion, Murray Eskrick, Darcy Ramsay and Kevin Kantz. Placing

second were (front, l-r) Paul Steinke, Greg Wilkinson, Eldon Gagne and Tim Christensen of O & G Electric Ltd.

OIL SANDS EVENT — Wayne Smith presents the Elk Point Oilfield Service trophy to (back, l-r) Jim Spears, Doug Callbeck, Darwin Dean and Doug Lynch

of the Spears Well Service rink. Universal rinkmates (front, l-r) Fred James, Al Pankiw, Quentin Siebold and Greg Alexander placed second.

Clandonald News

By Shirley Osinchuk
Clandonald Correspondent

Next week-end is the Easter week-end, the Christian celebration of the crucifixion and Resurrection of Jesus Christ. It begins the season of new life, in nature, and spiritually. We wish you the best in this time of renewal and growth.

The Marwayne Legion sponsored their annual poster and poetry contest for Remembrance Day. Three of our students won awards for their poems. Janice DeFord won second place and Heather Attfield and Roger Osinchuk tied for third place. The Legion presented the awards in Marwayne on Friday, March 14.

The Junior High boys finished off the basketball season with an exhibition game, which they won, with Tullibay Lake in Clandonald, on March 20.

Please note, anyone seeing a red light on at the east side of the arena, please notify Dever DeFord, Shirley Grant or the Clandonald Hardware. This indicates boiler trouble.

Jean and Katherine Martin, and Louis Garnier have been among the recent Agricultural Society winners.

There was good weather for the Fish and Game Winter Ice Fishing Derby. The biggest Northern Pike were caught by Marshall Serenchuk in the Mens' division, and Sue Goad for the Ladies. Herb Protsch brought in the biggest perch for the men, and Pauline Chomlack caught the biggest perch for the ladies. Kay Melnyk was the only winner in the pickerel class. Junior winners were Robert Garnier with his perch, and Melanie Trach,

with her jack.

During the Easter holiday break, the Agricultural Society will hold its annual Film Night, on Friday, April 4, at 8:00 p.m. in the Clandonald Hall. Ladies, please bring squares.

"Extremes and contrasts - Life is full of them. Two of mankind's most pressing problems seem to be how to keep half the population from starving and the other half from being overweight."

Homco rink wins Oilmen's bonspiel

The third annual Oilmen's Bonspiel brought excellent crowds to the Elk Point Curling Club this weekend, from the throwing of the ceremonial first rocks at noon Thursday, to the exciting final games late Sunday afternoon. Forty eight rinks took part in the spiel.

The First Event final went right down to the wire, with the Homco rink, skipped by Reo Van Maarion and the O & G Electric Ltd. rink, skipped by Paul Steinki tied up at the completion of the ninth end, and playing a very close game coming home.

Van Maarion's final rock decided the outcome of the game, winning the Heavy Oil Event trophies sponsored by Westmin Resources and cassette music systems for Van Maarion and rinkmates Murray Eskrick Darcy Ramsay and Kevin Kantz. Quartz watches went to the O & G Electric rink, with the third place K.K. Lawrence Vacuum Service rink winning electric shavers and the fourth place Baker Oil Treating rink winning toaster ovens.

The second, or Oil Sands Event, also depended on the tenth end to decide the winner. Jim Spears, Doug Callbeck, Darwin Dean and Doug Lynch of the Spears Well Service rink were presented with the Elk Point Oilfield Service trophy and multi-stereo cassette decks for their win over Universal. The Universal rink took home cordless drills, while portable gas barbecues went to the Jo Zel Enterprises & Consulting rink in third

place, and electric shavers went to the fourth place ICG rink.

The "Huff 'n Puff" Third Event had another exciting finish, when the Arinah Services Ltd. rink came from behind to give the winning CEDA Reactor rink a run for their money. Wayne Spence, Jim Holloway and Jason Jenner were shorthanded in their final game, with Tim Nychyporuk absent, but were successful in their efforts for the BMW Monarch trophy and a prize of large gas barbecues. The Arinah foursome received tool sets, while coffee makers went to the third place Mid Continent Supply rink and cozy vests for the fourth place GLM Tanks and Equipment team.

The "Thermal Flood" Fourth Event came to a conclusion in an 8-end final, with top honors going to Jack Smith, Brad Simonar, Don Tradewell and Ken Nielson of the Guiberson Oil Tools rink, who received the B & R Eckels Transport trophies and gas barbecues. They defeated the Computalog Gearhart rink, who received the second prize of telephones. Third prize, screwdriver sets, went to the Corod Mfg. Ltd. rink, while fourth prize, curling gloves and brooms, went to the Leyen Oilwell Servicing rink.

Along with the handsome challenge trophies, the winning rink in each event was presented with engraved silver buckles, each centered with a golden pump jack.

The Town of

Elk Point

Notices & Information

BYLAW 434/86

PROHIBITING OPEN BURNING

NOTICE is hereby given that the municipal Council of the Town of Elk Point has on the 24th day of March, A.D. 1986, enacted Bylaw 434/86 prohibiting open burning within the Municipal Corporate Limits.

The following excerpts of the bylaw are meant only to highlight areas of the bylaw for the general information of the residents of Elk Point:

1. DEFINITIONS

(a) "Burnable debris" means any flammable debris or waste material.

(b) "Prohibited debris" means any flammable debris or waste material that, when burned, may result in the release to the atmosphere of dense smoke, offensive odors, or toxic air contaminants.

(c) "Open Burning": any fire of any kind whatsoever in the open air, but does not include barbecues.

2. No person or corporation may ignite, start or cause to be made, lighted, ignited or started, an open fire of prohibited debris unless a permit is obtained from the inspector (fire chief) to burn burnable debris.

4. The inspector (fire chief) may issue temporary fire permits for a specified period of time only for the following purposes:

(d) open burning of burning of burnable debris may be allowed by permit between April 1 to May 30 and September 15 through October 15 for yard cleanup.

(e) Open burning will not be permitted on construction or demolition sites.

(h) The Town of Elk Point or the Elk Point Volunteer Fire Department shall not be responsible for any damages caused by fires ignited pursuant to this bylaw.

5. No person or corporation shall own, possess, or permit to be used, a burning barrel.

8. Except as provided any person who does not pay the voluntary penalty shall be guilty of an offence and upon summary conviction, to a penalty of not less than \$100 or more than \$2,500.

The complete bylaw may be viewed and inspected at the municipal offices of the Town of Elk Point during normal business hours.

Anyone wishing more information on Bylaw 434/86 Prohibiting Open Burning may obtain that information by contacting the Town Office at 724-3810.

Dated at Elk Point, Alberta

McNeilly not leaving

Rumors that Dr. Keith McNeilly is planning to retire and/or leave Elk Point are totally unfounded and Dr. McNeilly assured this reporter that he "has never even thought about retiring or leaving."

However, rumors have been rampant and have upset some of his patients who feared that their physician would be departing.

This is not the case, however, and both Dr. & Mrs. McNeilly are adamant that they enjoy life in Elk Point and are here to stay.

Public Notice

WATER RESOURCES ACT NORTH SASKATCHEWAN RIVER

Notice is hereby given that Dome Petroleum Limited has filed an application under provisions of the Water Resources Act to increase the diversion of water from 785 to 1,610 acre-feet of water per annum from the North Saskatchewan River through works of Westmin Resources Limited on the NE 21-56-6-W4 and rediverted on NW 10-56-6-W4, NW & SE 13-55-6-W4 and SE 30-55-5-W4 for industrial purposes.

Any person with objections and having a bona fide interest in the matter may file a statement of reasons for objecting with the Controller of Water Resources, Alberta Environment, 2nd Floor, Oxbridge Place, 9820-106 Street, Edmonton, T5K 2J6 on or before the 26th day of April, 1986.

Heinsburg 4-H club

By Doyle Skolarchuk

March has been a busy month for our club. On March 4, we travelled to the Fishing Lake Community Pasture where we all participated in a sleigh ride. Mr. Ross Durocher drove us around in his team & sleigh complete with bells; the rides were enjoyed by all who rode. We wish to thank Mr. Durocher and the leaders who organized this event. These rides were followed by a weiner roast and a tiring ride home.

Next was the local speak-off's, organized by Mrs. Connie Thomson, Mrs. Lori Best, and Mrs. Lilian Laboucane, this was held at the Heinsburg Hall on March 9th. There were three senior members, four junior members, and four pee-wee members who participated here. The winners were Kim Thomson, senior, and Henry Thomson, junior.

The monthly meeting was held at the Thomson residence, March 10th with much discussion on upcoming events the club will be participating in.

The District Speak-Off was held in Glendon on March 16th. Kim Thomson represented our seniors, and Henry Thomson represented our juniors. Congratulations on a job well done goes to both of them.

On March 22nd, our club joined other clubs of the District to travel to Vermilion for a tour of the Lakeland College campus. The day was spent observing presentations by students from the different classes offered at the College.

Other events coming up in the near future that our club will be participating in include: March 31st - Beef Club Tour; April 4th - Grooming and Clipping training session for the beef club sponsored by the District; April 12th - Woodwork Club Achievement Day and April 19th - an Air Guitar contest in St. Paul.
